The screenshot shows the ADOIT Workspaces interface. At the top, there is a navigation bar with 'My Roadmap' and 'Settings' on the left, 'TEAMWORK' in the center, and 'CS', 'CM', 'BK', 'Help', and 'Share' on the right. Below this is a progress bar with six steps: 1. Select Strategy Elements, 2. Assign Requirements (highlighted in green), 3. Prioritise Requirements, 4. Schedule Requirements, 5. Track Requirements, and 6. Summary (highlighted in green). The main content area features a search bar and a list of categories: Account Management and Billing, Accounting, and Analytic CRM. Each category has an 'Add Requirement' button, a 'Get inspired' button (highlighted in green), and a 'Browse' button. Annotations with arrows point to the 'Get inspired' button, labeled 'AI SUPPORT', and the progress bar steps 3-5, labeled 'GUIDANCE'. Another annotation points to the 'Summary' step, labeled 'PREDEFINED RESULT TYPES'. A third annotation points to the 'Add Requirement' button, labeled 'SIMPLE LANGUAGE, UNDERSTANDABLE FOR EVERYONE'.
