Confluence | Publishing & Navigation

The screenshot displays the Confluence interface with a sidebar on the left containing a hierarchical menu. The main content area shows a 'Process Summary' for 'CP01.00 Create new customer'. A table below the summary provides key facts about the process. A large green overlay with white text is positioned over the bottom half of the screen, and a smaller white overlay with blue and grey buttons is positioned over the bottom right corner.

Process Summary

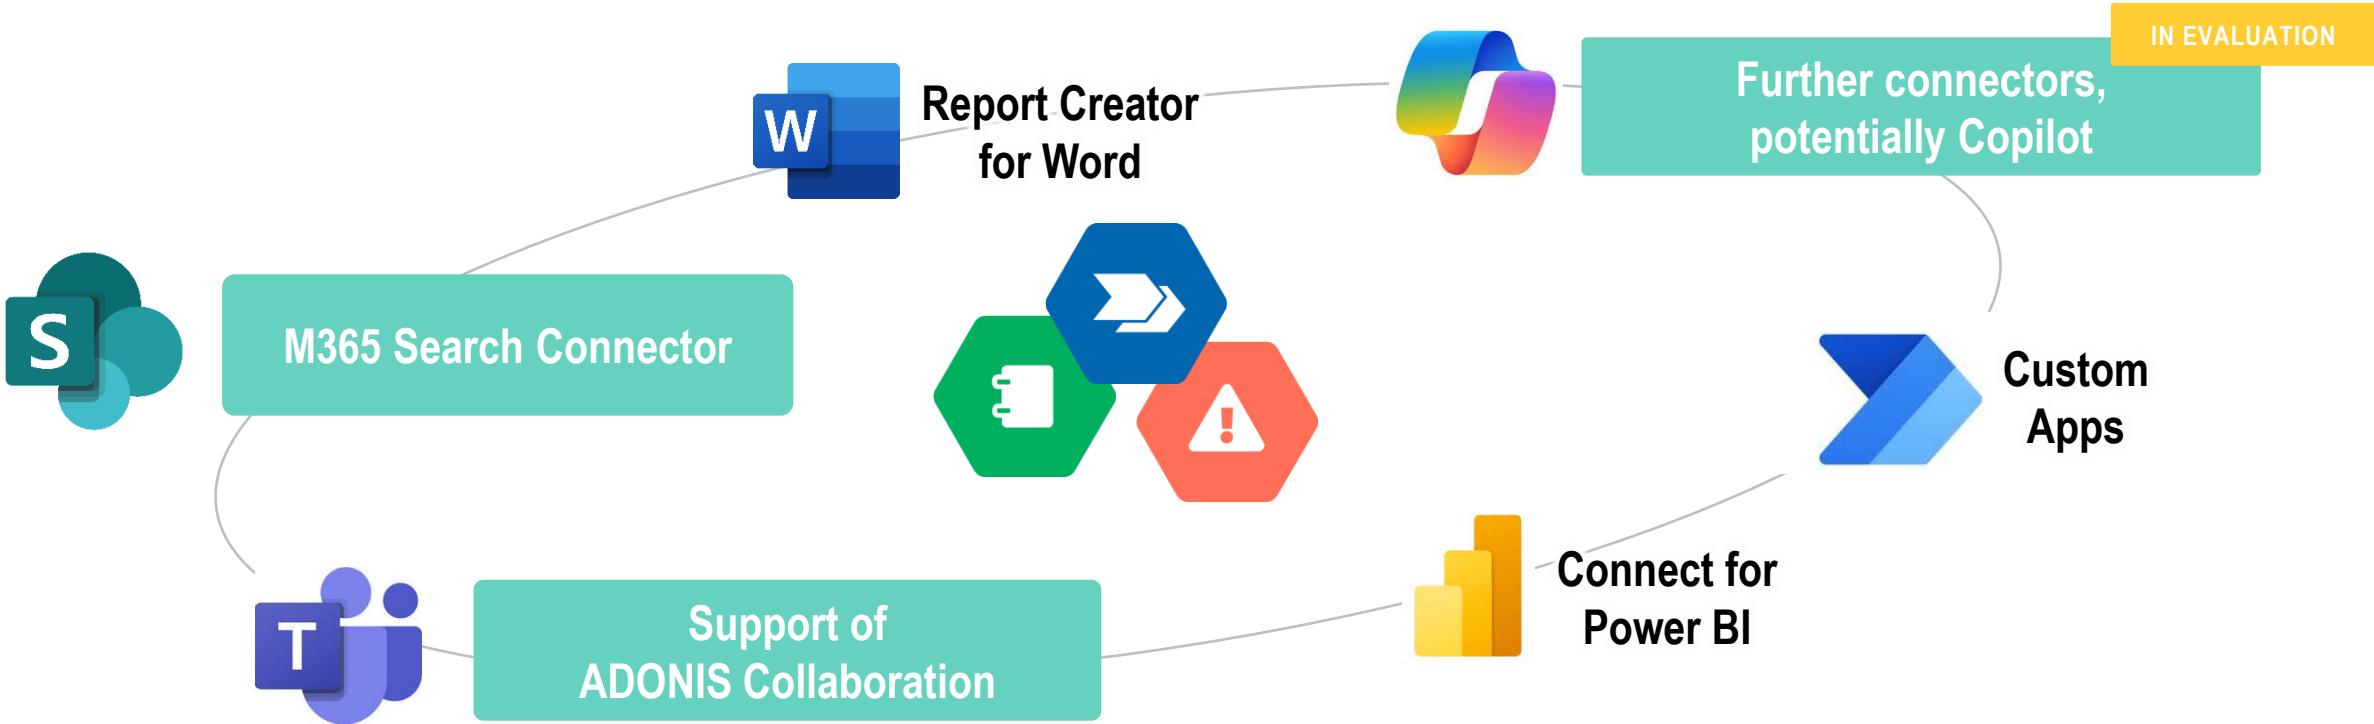

This table provides key facts of the Process that are stored in ADONIS. For more details you can open the Process directly in ADONIS.

Name	CP01.00 Create new customer 1.00
